A Declaration Conversation is an opportunity to learn more about our nation's founding document. Participants will read excerpts from the document and participate in a discussion facilitated by Dr. Eric Anderson.

This presentation is part of Humanities Kansas' Movement of Ideas Speakers Bureau featuring presentations and workshops designed to share stories that inspire, spark conversations that inform and generate insights that strengthen civic engagement.

Dr. Eric Anderson
Professor of History
at Haskell University
and a member of the
Potawatomi Nation.
